**COMMISSION IMPLEMENTING REGULATION (EU) 2024/1767**

**of 26 June 2024**

**granting a Union authorisation for the biocidal product family ‘Sure Lactic Family’ in accordance with Regulation (EU) No 528/2012 of the European Parliament and of the Council**

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 528/2012 of the European Parliament and of the Council of 22 May 2012 concerning the making available on the market and use of biocidal products <sup>(1)</sup>, and in particular Article 44(5), first subparagraph, thereof,

Whereas:

- (1) On 30 April 2019, Diversey Europe Operations B.V submitted to the European Chemicals Agency (‘the Agency’) an application in accordance with Article 43(1) of Regulation (EU) No 528/2012 and Article 4 of Commission Implementing Regulation (EU) No 414/2013 <sup>(2)</sup> for Union authorisation of the same biocidal product family, as referred to in Article 1 of Implementing Regulation (EU) No 414/2013, named ‘Sure Lactic Family’, of product-types 2, 3 and 4, as described in Annex V to Regulation (EU) No 528/2012. The application was recorded under case number BC-EM051406-41 in the Register for Biocidal Products (‘the Register’). The application also indicated the application number of the related reference biocidal product family ‘SALVECO SALVESAFE PRODUCTS’ later authorised by Commission Implementing Regulation (EU) 2023/1758 <sup>(3)</sup>, recorded in the Register under case number BC-HC051278-51.
- (2) The same biocidal product family ‘Sure Lactic Family’ contains L-(+)-lactic acid as the active substances, included in the Union list of approved active substances referred to in Article 9(2) of Regulation (EU) No 528/2012 for product-types 2, 3 and 4.
- (3) On 19 September 2022, the Agency submitted to the Commission its opinion <sup>(4)</sup> and the draft summary of the biocidal product characteristics (‘SPC’) of ‘Sure Lactic Family’ in accordance with Article 6(1) and (2) of Implementing Regulation (EU) No 414/2013.
- (4) In its opinion, the Agency concludes that the proposed differences between ‘Sure Lactic Family’ and the biocidal product family ‘SALVECO SALVESAFE PRODUCTS’ are limited to information which can be the subject of an administrative change in accordance with Article 11 of Commission Implementing Regulation (EU) No 354/2013 <sup>(5)</sup>, and that based on the assessment of the related reference biocidal product family ‘SALVECO SALVESAFE PRODUCTS’ and subject to compliance with the draft SPC, ‘Sure Lactic Family’ meets the conditions laid down in Article 19(1) and (6) of Regulation (EU) No 528/2012.
