Administrative information

1.1. Trade names of the product

OFF! Family Care Aloe Vera Hyttysuihke

1.2. Authorisation holder

Name and address of the authorisation holder	Name	SC Johnson Europe Sàrl
	Address	Z.A. la Piece 8 1180 Rolle Switzerland
Authorisation number	FI-2017-0004	
R4BP 3 asset reference number	FI-0011321-0000	
Date of the authorisation	31/03/2017	
Expiry date of the authorisation	20/02/2027	

1.3. Manufacturer(s) of the biocidal products

Name of the manufacturer	S.C. Johnson Europlant B.V.
Address of the manufacturer	Groot Mijdrechtstraat 81 3641 RV Mijdrecht Netherlands
Location of manufacturing sites	Groot Mijdrechtstraat 81 3641 RV Mijdrecht Netherlands
	Oy Transmeri Logistics Ab, Kisällintie 13 01730 Vantaa Finland

1.4. Manufacturer(s) of the active substance(s)

Active substance	23 - N,N-diethyl-meta-toluamide
Name of the manufacturer	Vertellus Performance Materials Inc
Address of the manufacturer	2110 High Point Road NC 27402 Greensboro. United States
Location of manufacturing sites	2110 High Point Road NC 27402 Greensboro. United States

2. Product composition and formulation

2.1. Qualitative and quantitative information on the composition of the biocidal product

Common name	IUPAC name	Function	CAS number	EC number	Content (%)
N,N-diethyl-meta-toluamide	N,N-diethyl-m-toluamide	Active Substance	134-62-3	205-149-7	7,2248

2.2. Type of formulation

Solvent Based Liquid (RFU)

3. Hazard and precautionary statements

Hazard statements	Highly flammable liquid and vapour.
Precautionary statements	<p>If medical advice is needed, have product container or label at hand.</p> <p>Keep out of reach of children.</p> <p>Read carefully and follow all instructions.</p> <p>Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. - No smoking.</p> <p>Keep container tightly closed.</p> <p>In case of fire:Use ... to extinguish.</p> <p>Store in a well-ventilated place.Keep cool.</p>

4. Authorised use(s)

4.1 Use description

Use 1 - Use # 1 - Non-professional

Product type	PT19 - Repellents and attractants (Pest control)
Where relevant, an exact description of the authorised use	VII.2 Health protection
Target organism(s) (including development stage)	Scientific name: Culicidae: Common name: Mosquitoes Development stage: Adults Scientific name: Ixodidae: Common name: Ticks Development stage: Adults
Field(s) of use	Indoor Outdoor IV.1 Indoor use (Well ventilated areas) IV.2 Outdoor use
Application method(s)	Method: Spraying Detailed description: Repels mosquitoes immediately that may carry Yellow Fever, Dengue Fever, and West Nile Virus for up to 2 hours per application. Repels ticks for up to 3 hours per application.
Application rate(s) and frequencies	Application Rate: 1g product per 645 cm ² Dilution (%): 0 Number and timing of application: Do not apply more than 3 times in 24 hours to adults and children over 12 years old; for children under 12 years old, do not apply more than 2 times a day.
Category(ies) of users	General public (non-professional)
Pack sizes and packaging material	50 mL, 60 mL, 65 mL, 75 mL, 100 mL, 125 mL, 150 mL, 175 mL, 200 mL, 225 mL, 250 mL HDPE bottle with pump sprayer.

4.1.1 Use-specific instructions for use

Using the pump applicator apply the liquid on exposed skin and spread evenly with hands over the following areas:
Adults: 5 pumps to each hand; 7 pumps to face; 5 pumps to neck; 4 pumps to upper part of each foot; and 12 pumps to each lower leg.

Children 2 years of age and over: 3 pumps to face, 3 pumps to neck, 2 pumps to upper part of each foot, and 3 pumps to each lower arm.

Do not use on children under 2 years old.

For the face: spray onto adult's hand and apply sparingly onto adult's or child's face, avoiding eyes and mouth.

Do not apply to hands of children 12 years of age.

Do not use under clothing.

Do not breathe gas/fumes/vapour/spray

After returning indoors, wash treated skin with soap and water

Use only outdoors or in a well ventilated area

Wash hands and exposed skin before meals and after use

It is recommended that clothing is used to cover any untreated areas of skin and so restrict access by biting insects.

4.1.2 Use-specific risk mitigation measures

Using the pump applicator apply the liquid on exposed skin and spread evenly with hands over the following areas:

Adults: 5 pumps to each hand; 7 pumps to face; 5 pumps to neck; 4 pumps to upper part of each foot; and 12 pumps to each lower leg.

Children 2 years of age and over: 3 pumps to face, 3 pumps to neck, 2 pumps to upper part of each foot, and 3 pumps to each lower arm.

Do not use on children under 2 years old.

For the face: spray onto adult's hand and apply sparingly onto adult's or child's face, avoiding eyes and mouth.

Do not apply more than 3 times in 24 hours to adults and children over 12 years old; for children under 12 years old, do not apply more than 2 times a day.

After returning indoors, wash treated skin with soap and water

Use only outdoors or in a well ventilated area

Keep out of the reach of children

Keep in a safe place

Wash hands and exposed skin before meals and after use

Keep away from sources of ignition - No smoking

Do not contaminate foodstuffs, eating utensils or food contact surfaces

It is recommended that clothing is used to cover any untreated areas of skin and so restrict access by biting insects.

4.1.3 Where specific to the use, the particulars of likely direct or indirect effects, first aid instructions and emergency measures to protect the environment

First aid measures:

Ingestion: If swallowed, do not induce vomiting: seek medical advice immediately and show this container or label. Rinse mouth with water. If symptoms persist, call a physician.

4.1.4 Where specific to the use, the instructions for safe disposal of the product and its packaging

Do not contaminate waterbodies or watercourses with chemicals or used container.

Dispose of contents/container in accordance with local, national, and international regulations.

This material and its container must be disposed of in a safe way

Do not empty into drains.

Do not reuse container.

4.1.5 Where specific to the use, the conditions of storage and shelf-life of the product under normal conditions of storage

Store in a well ventilated place. Keep cool.
Protect from frost.
Store in original container

Shelf life 4 years.

5. General directions for use

5.1. Instructions for use

See authorised uses

5.2. Risk mitigation measures

See authorised uses

5.3. Particulars of likely direct or indirect effects, first aid instructions and emergency measures to protect the environment

See authorised uses

5.4. Instructions for safe disposal of the product and its packaging

See authorised uses

5.5. Conditions of storage and shelf-life of the product under normal conditions of storage

See authorised uses

6. Other information

The characteristic odour is fruity/floral.
