Acceptance of notification regarding administrative changes - Wolsit KD-10

If an authorisation holder intends to make an administrative change with regard to any of the information submitted in relation to the initial application for the authorisation of a biocidal product/a biocidal product family, a notification should be submitted to The Norwegian Environment Agency (cf. Article 50 (2) of Regulation (EU) No 528/2012; implemented in Norwegian law through the Norwegian Biocide Regulation, Regulation of 11th April 2014 No. 548). Changes of products is further treated in Regulation (EU) No 354/2013.

We hereby confirm that we accept the notification regarding administrative changes for Wolsit KD-10 - NO-2014-0041, Case number BC-BU005933-27. The change concerns additional manufacturer for propiconazole (Janssen PMP), with reference to ECHA decision on technical equivalence (Case number BC-KM002264-46 and asset number EU-0003416-0000). Acceptance of this change assumes that the requirements of Article 95(2) of Regulation (EU) No 528/2012 are met.

No other change to the product than the above mentioned is accepted with this letter.

Enclosed is the updated SPC.

Yours sincerely,
Norwegian Environment Agency
