HAS DECIDED TO GIVE THE FOLLOWING OPINION:

The Management Board notes that the European Court of Auditors, in its preliminary observations on the Provisional Annual Accounts 2022, has made no reservation concerning the implementation of the European Chemicals Agency's annual budget for 2022.

On the basis of the examination of the Final Annual Accounts, submitted to it on 26 May 2023 by the Executive Director, and on the basis of the Court's preliminary observations, the Management Board has obtained sufficient assurance to conclude that the accounts for the year 2022, taken as a whole, present a true and fair view of the Agency's financial position as at 31 December 2022 and properly reflect the implementation of the Agency's budget for the year 2022.

The Management Board welcomes that there are no observations in the Court of Auditors' preliminary observations for the financial year 2022.
