*ANNEX*

**SUMMARY OF PRODUCT CHARACTERISTICS FOR A BIOCIDAL PRODUCT**

Product 7-3 - Soprodin

**Product type(s)**

PT02: Disinfectants and algicides not intended for direct application to humans or animals

PT04: Food and feed area

**Authorisation number:** FR-2023-0071 1-7

**R4BP asset number:** FR-0021510-0043

---

## 1. ADMINISTRATIVE INFORMATION

### 1.1. Trade name(s) of the product

|               |                        |
|---------------|------------------------|
| Trade name(s) | Product 7-3 - Soprodis |
|---------------|------------------------|

### 1.2. Authorisation holder

|  |                  |  |
|--|------------------|--|
| Name and address of the authorisation holder | Name             | SOPRODIS   |
|  | Address          | 44 RUE DU LANGUEDOC 11200<br>LEZIGNAN CORBIERES France |
| Authorisation number                         | FR-2023-0071 1-7 |  |
| <i>R4BP asset number</i>                     | FR-0021510-0043  |  |
| Date of the authorisation                    | 19/12/2023       |  |
| Expiry date of the authorisation             | 18/12/2033       |  |

### 1.3. Manufacturer(s) of the product

|                                 |  |
|---------------------------------|--|
| Name of manufacturer            | SOPRODIS   |
| Address of manufacturer         | 44 Rue du LANGUEDOC 11200 LEZIGNAN CORB<br>IERES France                |
| Location of manufacturing sites | SOPRODIS site 1 44 Rue du LANGUEDOC 11200<br>LEZIGNAN CORBIERES France |

### 1.4. Manufacturer(s) of the active substance(s)

|                                 |  |
|---------------------------------|--|
| Active substance                | L-(+)-lactic acid  |
| Name of manufacturer            | Corbion Purac Bioquimica sa  |
| Address of manufacturer         | Gran Vial 19-25 08160 MONTMELÓ Spain   |
| Location of manufacturing sites | Corbion Purac Bioquimica sa site 1 Gran Vial 19-25<br>E-08160 MONTMELÓ Spain<br><br>Corbion Purac Bioquimica sa site 2 Arkelsedijk 46<br>NL-4200 GORINCHEM Netherlands (the) |

|                                 |  |
|---------------------------------|--|
| Active substance                | L-(+)-lactic acid  |
| Name of manufacturer            | Jungbunzlauer S.A  |
| Address of manufacturer         | ZI Portuaire - BP 32 F-67390 Marcklosheim France   |
| Location of manufacturing sites | Jungbunzlauer S.A site 1 Jungbunzlauer S.A - ZI<br>Portuaire - BP 32 F-67390 Marcklosheim France |

---

## 2. PRODUCT COMPOSITION AND FORMULATION

### 2.1. Qualitative and quantitative information on the composition of the product

| Common name       | IUPAC name | Function         | CAS number | EC number | Content (%)  |
|-------------------|------------|------------------|------------|-----------|--------------|
| L-(+)-lactic acid |            | active substance | 79-33-4    | 201-196-2 | 1,51 % (w/w) |

### 2.2. Type(s) of formulation

AL Any other liquid

---

### 3. HAZARD AND PRECAUTIONARY STATEMENTS

|                          |   |
|--------------------------|---|
| Hazard statements        | H315: Causes skin irritation.<br><br>H318: Causes serious eye damage.   |
| Precautionary statements | P101: If medical advice is needed, have product container or label at hand.<br><br>P102: Keep out of reach of children.<br><br>P103: Read carefully and follow all instructions.<br><br>P264: Wash hands thoroughly after handling.<br><br>P302+P352: IF ON SKIN: Wash with plenty of soap and water.<br><br>P305+P351+P338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.<br><br>P310: Immediately call a POISON CENTER or doctor/physician.<br><br>P321: Specific treatment (see ... on this label).<br><br>P332+P313: If skin irritation occurs: Get medical advice/attention.<br><br>P337+P313: If eye irritation persists: Get medical advice/attention.<br><br>P362+P364: Take off contaminated clothing and wash it before reuse.<br><br>P280: Wear protective gloves/ protective clothing/ eye protection.<br><br>P273: Avoid release to the environment.<br><br>P501: Dispose of {0:....:contents container} to {1:....}. |

#### 4. AUTHORISED USE(S)

##### 4.1. Use description

**Table 1. Disinfection of hard surfaces and equipment by manual liquid spraying – Professionals - PT2 – RTU product (Use 17)**

|-----------------------------------|---|

#### 4.1.1. Use-specific instructions

- For healthcare settings: clean carefully the surfaces before application of the product.

#### 4.1.2. Use-specific risk mitigation measures

For professional user: wear gloves, protective coverall and chemical goggles (material to be specified by the authorisation holder within the product information) during loading, application and rinsing.

For professional bystander:

-Do not be present in the treatment area during disinfection process by spraying. If it is necessary to be present, wear same PPE as the professional user.

-Do not touch the surface until it is completely dried

General public:

-Do not be present in the treatment area during disinfection process.

---

-Do not touch the surface until it is rinsed and completely dried

-Children should not be present during disinfection and until the surface is rinsed and dried.

**4.1.3. Where specific to the use, the particulars of likely direct or indirect effects, first aid instructions and emergency measures to protect the environment**

-

**4.1.4. Where specific to the use, the instructions for safe disposal of the product and its packaging**

-

**4.1.5. Where specific to the use, the conditions of storage and shelf-life of the product under normal conditions of storage**

-

**4.2. Use description**

**Table 2. Disinfection of hard surfaces (small surfaces) and equipment by manual liquid spraying using a trigger sprayer – Professionals - PT2 – RTU product (Use 18)**

#### 4.7.1. Use-specific instructions

-

#### 4.7.2. Use-specific risk mitigation measures

For professional user: wear gloves, protective coverall and chemical goggles (material to be specified by the authorisation holder within the product information) during mixing and loading, application and rinsing.

For professional bystander :

-Do not touch the surface until it is completely dried

For general public:

-Do not touch the surface until it is rinsed and completely dried

-Children should not be present during disinfection and until the surface is rinsed and dried.

**4.7.3. Where specific to the use, the particulars of likely direct or indirect effects, first aid instructions and emergency measures to protect the environment**

-

**4.7.4. Where specific to the use, the instructions for safe disposal of the product and its packaging**

-

**4.7.5. Where specific to the use, the conditions of storage and shelf-life of the product under normal conditions of storage**

#### 4.8.1. Use-specific instructions

-

#### 4.8.2. Use-specific risk mitigation measures

For non professional user during loading, application and rinsing :

- Wash hands after use
- Avoid contact with eyes and skin
- Avoid splashes and spills
- The packaging must be adapted with a child proof closure

For general public :

- Do not touch the surface until it is rinsed and totally dried
- Children should not be present during disinfection and until the surface is rinsed and dry.

**4.8.3. Where specific to the use, the particulars of likely direct or indirect effects, first aid instructions and emergency measures to protect the environment**

-

**4.8.4. Where specific to the use, the instructions for safe disposal of the product and its packaging**

-

**4.8.5. Where specific to the use, the conditions of storage and shelf-life of the product under normal conditions of storage**

- Keep out of reach of children and non-target animals/pets.

**4.10.3. Where specific to the use, the particulars of likely direct or indirect effects, first aid instructions and emergency measures to protect the environment**

-

**4.10.4. Where specific to the use, the instructions for safe disposal of the product and its packaging**

-

**4.10.5. Where specific to the use, the conditions of storage and shelf-life of the product under normal conditions of storage**

- Keep out of reach of children and non-target animals/pets.

---

## **5. GENERAL DIRECTIONS FOR USE<sup>1</sup>**

### **5.1. Instructions for use**

- Comply with the instructions for use.
  
- Apply only on non porous surfaces.
  
- Inform the registration holder if the treatment is ineffective.
  
- Products have been tested against bacteria, including *Enterobacter cloacae*, *Salmonella Typhimurium*, *Campylobacter jejuni* and *Listeria monocytogenes* at 20°C against virus including bovine coronavirus, rotavirus and influenza virus at 40°C.

### **5.2. Risk mitigation measures**

-

### **5.3. Particulars of likely direct or indirect effects, first aid instructions and emergency measures to protect the environment**

- IF ON SKIN: Take off all contaminated clothing and wash it before reuse. Wash skin with water. If skin irritation occurs: Get medical advice.
  
- IF IN EYES: Immediately rinse with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing for 5 minutes. Call a poison centre or a doctor
  
- IF SWALLOWED: Rinse mouth. Give something to drink, if exposed person is able to swallow. Do NOT induce vomiting. Call a poison centre or a doctor
  
- IF INHALED: If symptoms occur call a POISON CENTRE or a doctor. If medical advice is needed, have product container or label at hand.

### **5.4. Instructions for safe disposal of the product and its packaging**

- Do not discharge unused product on the ground, into water courses, into pipes (sink, toilets...) nor down the drains.
  
- Dispose of unused product, its packaging and all other waste in accordance with local regulations.

---

<sup>1</sup>Instructions for use, risk mitigation measures and other directions for use under this section are valid for any authorised uses.

---

### **5.5. Conditions of storage and shelf-life of the product under normal conditions of storage**

- Protect from frost.
  
- Keep away from direct sunlight.
  
- Shelf-life = 2 years.

---

## **6. OTHER INFORMATION**

-
