

TC NES SUBGROUP ON IDENTIFICATION OF PBT AND VPVP SUBSTANCES

RESULTS OF THE EVALUATION OF THE PBT/VPVB PROPERTIES OF:

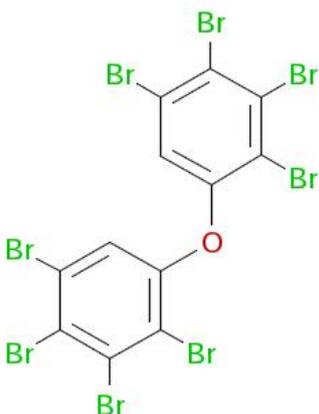

Substance name: Diphenyl ether, octabromo derivative

EC number: 251-087-9

CAS number: 32536-52-0

Molecular formula: C₁₂H₂Br₈O

Structural formula:

Status: Concern - post screening evaluation

Summary of the evaluation: Based on the risk assessment performed under the Regulation 793/93, restrictions on the marketing and use of the substance have been introduced under the Directive 2003/11/EC.
