## **Acceptance of transfer of the authorisation holder and administrative changes - Mosquito Milk Spray 50% DEET**

We refer to your notification, transfer of a national authorisation (NA-TRS) BC-BU035826-18, for Mosquito Milk Spray 50% DEET.

According to Article 50 (2) in Regulation (EU) No 528/2012 concerning the making available on the market and use of biocidal products, changes to the conditions laid down in a biocidal product authorisation shall be accepted/approved by the Competent Authority. Changes to a product authorisation are further described in Regulation (EU) No 354/2013.

Regulation (EU) No 528/2012 and Regulation (EU) No 354/2013 are implemented in Norwegian law through the Norwegian Biocide Regulation of 18 April 2017 No. 480.

The Norwegian Competent Authority hereby accepts the transfer of the authorisation for Mosquito Milk Spray 50% DEET from Omega pharma Nordic AB to Jaico RDP n.v.

In addition, we also accept the administrative changes as described in the supporting document to this notification (case BC-BU035826-18) and the change in package size from 75 mL to 15 - 250 mL (supported by the reference Member State) as mentioned in the message in R4BP 3.

No other changes than the above mentioned are accepted with this letter.

The revised SPC is uploaded to R4BP3. Please refer to the uploaded SPC in XML-format, as the automatically generated PDF-file may contain errors.

We kindly request that the revised label (final artwork) is submitted to [biocides@miljodir.no](mailto:biocides@miljodir.no)

within three months.

**Best regards**  
**Norwegian Environment Agency**
