Extended expiry date for Thor GmbH – Acticide C1 – NO-2022-0222

With reference to R4BP 3 communication no. NMP-C-1706614-05-00/F dated 19 January 2024, concerning the expiry date for the biocidal product Acticide C1, NO-2022-0222.

Decision

The Norwegian Environment Agency hereby grants Thor GmbH a postponement of the expiry date for the authorisation for the biocidal product Acticide C1 on the Norwegian market. The expiry date is postponed from 16 March 2024 to 17 March 2025.

The product is mutual recognised in Norway under the terms and conditions as described in the final Norwegian Summary Product Characteristic (SPC) attached to the R4BP3 asset case no. NO-0026606-0000. The final SPC can also be found on the website of the European Chemicals Agency here: [Information on biocides - ECHA \(europa.eu\)](https://echa.europa.eu/information-on-biocides).

The grant of extension of expiry date is given in accordance with Article 55(2) of Regulation (EU) No 528/2012 (the Biocidal Products Regulation, BPR).

Background

Regulation (EU) No. 528/2012 (the Biocidal Products Regulation, BPR), is implemented in Norwegian law through the Norwegian Biocide Regulation of 18 April 2017 No 480.

According to Article 55(2) of the BPR, a derogation can be made from point (a) of Article 19(1), and until an active substance is approved. Competent authorities and the Commission may authorise, for a period not exceeding three years, a biocidal product containing a new active substance.

The reference Member State for the renewal of the biocidal product, France, have extended the authorisation for Acticide C1 until 17 March 2025. For authorisations that are mutual recognised, it is agreed among the Member States that these authorisations shall have the same expiry date

as the national authorisation granted by the reference Member State (c.f. CA-Sept14-Doc.5.7 – Final).

The current expiry date for the Norwegian authorisation is 16 March 2024.

Evaluation by the Norwegian Environment Agency

This decision is based on the evaluation of the reference Member State.

Right to appeal

This decision may be appealed to the Ministry of Climate and Environment.

An appeal shall be submitted to the Norwegian Environment Agency within three weeks after receipt of this letter.
